## CLASSROOM ARRANGEMENTS

Decorating the classroom for children is essential as it creates a vibrant and inviting space where learning becomes more engaging and enjoyable. Colorful displays and educational materials stimulate curiosity and support early academic skills. Thoughtfully decorated classrooms also provide a structured environment that promotes organization and routine, which are crucial for young learners' development. Personalized decorations help children feel connected to their learning environment and encourage a sense of ownership and pride in their achievements. Furthermore, a well-decorated classroom reflects the teacher's dedication to creating a nurturing and an inspiring atmosphere that enhances children's overall educational experience.

## APPRECIATION BOARD

An appreciation board in the classroom serves as a powerful tool to celebrate and acknowledge students' achievements and efforts. It fosters a positive learning environment by boosting students' self-esteem and motivation. It also allows parents to see and appreciate their child's progress and contributions firsthand, encouraging ongoing support and involvement in their educational journey.

## SIGHT WORDS

Having sight words in the classroom is crucial because they are foundational words that children need to recognize instantly by sight, without needing to decode them phonetically. These words are among the most frequently used in written language, forming the basis for reading fluency and comprehension. By learning sight words, children can read more smoothly and quickly, which boosts their confidence and overall reading ability.

## ATTENDANCE MARKING

Having children mark their own attendance is important as it fosters responsibility and independence. It teaches them the importance of being accountable for their actions from a young age. This activity also promotes organizational skills and helps children develop a sense of ownership over their daily routines at school. Additionally, it encourages classroom participation and engagement right from the start of the day, setting a positive tone for learning. Parents can support this practice by reinforcing the habit of taking responsibility, which contributes to their child's overall development and readiness for future responsibilities.

## PARENT ORIENTATION

A parent orientation program at school is crucial for fostering a strong partnership between parents and educators. It provides parents with essential information about school policies, programs, and resources, helping them support their child's education effectively. Such programs enhance communication channels between school and home, promoting a collaborative approach to student success. The program also empowers parents to engage more actively in their child's academic journey and contribute positively to the school community. Overall, parent orientation programs ensure a supportive environment where both parents and educators work together towards the best interests of the students.

First day at school

## FIRST DAY !!

First-day fun activities at school are crucial because they help students settle in comfortably, make new friends, and feel excited about learning. These activities create a positive atmosphere that supports social and emotional development from the start. By fostering a sense of community and engagement early on, students are more likely to feel motivated and ready to participate in academic tasks throughout the year.

## LET'S GO "HAND IN HAND"

"Hand in Hand" symbolizes a promise from the teacher to guide and support student closely, ensuring their personal and academic growth together. It signifies a commitment to fostering a strong, supportive relationship where the teacher will be there at every step to help the student succeed. This promise underscores the teachers dedication to nurturing and developing the students abilities, aiming for mutual trust and shared progress in their educational journey.

## PHOTO KIOSK

"The first day picture at school is important to parents because it captures a significant milestone in their child's life, marking the beginning of a new educational journey. It allows parents to preserve memories and reflect on their child's growth over the years. This photo serves as a tangible reminder of their child's excitement, nervousness, and growth throughout the school years, fostering a sense of pride and nostalgia for parents. Additionally, it provides an opportunity for parents to share and celebrate this milestone with family and friends, creating lasting memories for both them and their child.

## First day fun

### *THE RAINBOW IN ME*

The "Rainbow in Me" activity encourages children to express their favorite things creatively, forming a colorful rainbow. It fosters self-expression, creativity, and imagination in a fun and engaging way. This activity helps children explore their interests and preferences while developing fine motor skills through art. It also promotes positive self-esteem as children proudly display their unique rainbow creations.

### *EMOTION IN ME*

Children drew their emotions at the end of their first day. This allowed them to express and reflect on how they felt throughout the day through art. It's a simple yet effective way to encourage emotional awareness and creativity from a young age.

## Activities

### 6-BRICKS ACTIVITY

“When children are given 6 bricks and asked to perform different types of instructed tasks, the objective is typically to stimulate creativity, spatial reasoning and problem-solving skills. This activity encourages children to explore various ways to manipulate and use the bricks, fostering innovation and cooperative learning among participants. It also promotes fine motor skills and understanding of basic concepts like shape, structure and balance in a fun and interactive manner.

### CIRCLE TIME AND ASSEMBLY

Circle time and assemblies at school are crucial for fostering community spirit and social skills among children. They provide opportunities for students to share experiences, build empathy, and develop communication skills in a structured setting. Additionally, these gatherings promote a sense of belonging and school pride, reinforcing positive behavior and values through collective participation..

## Important days

## DOCTORS DAY

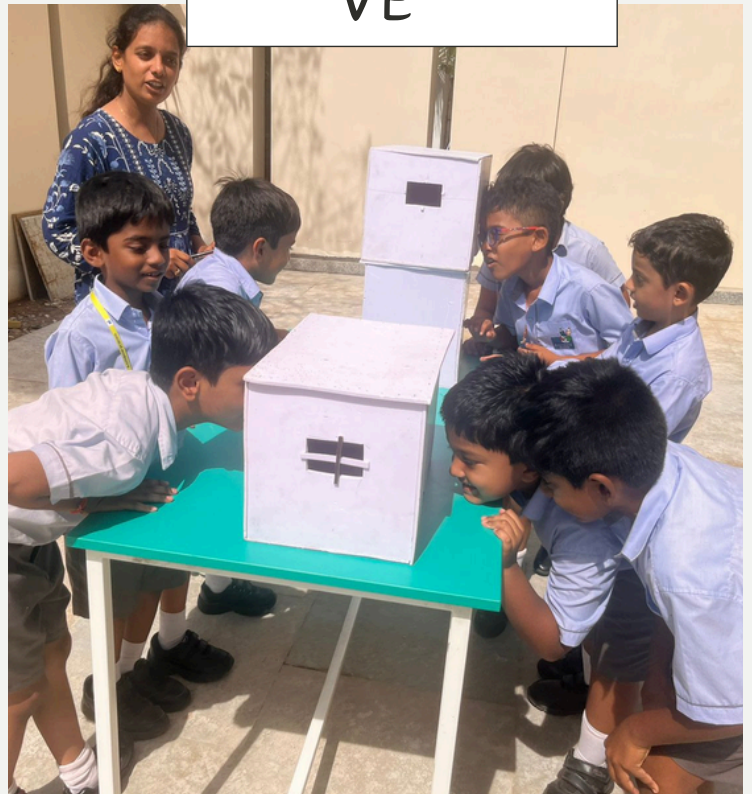

Children celebrated Doctor's Day by writing heartfelt thank-you notes to doctors, expressing gratitude for their care and dedication. This activity encouraged appreciation for healthcare professionals and taught children about the importance of acknowledging those who help others. It was a meaningful gesture that fostered empathy and respect in the young students..

## PROJECT BASED LEARNING

Project-Based Learning (PBL) is an instructional method where students learn by actively engaging in real-world and meaningful projects. It emphasizes student-driven inquiry, collaboration, and problem-solving. Students work on projects that require critical thinking and creativity, often integrating multiple subjects. The process involves planning, research, and presenting their findings. PBL aims to develop deeper understanding and practical skills by focusing on the application of knowledge.

## VALUE EDUCATION

Value education is a teaching approach that integrates core ethical and moral values into the curriculum. It aims to help students develop principles such as respect, responsibility, and integrity alongside academic knowledge. This approach connects classroom learning to real-life ethical situations, fostering personal and social growth. Value education encourages students to apply these values in their daily lives and interactions.

## Competitions

### ATTIRE WITH SPARK

“Attire with Spark” is a competition designed to help children build confidence by representing different Indian states through traditional dress. Participants dressed in the traditional attire of a specific state and spoke about it, showcasing their knowledge and promoting cultural appreciation. This activity not only enhances their public speaking skills but also fosters a deeper understanding of India's diverse heritage.

### MY MOTHER MY INSPIRATION

"My Mother, My Inspiration" was a competition held for children to express their admiration and love for their mothers. Participants shared heartfelt stories, poems, or artwork highlighting the qualities that make their mothers special and the impact they've had on their lives. It was a beautiful way for children to celebrate their mothers and strengthen their bond. One take away from the competition-

‘Do all the good you can  
To all the people you can  
In all the ways you can  
As long as you can’
